KERING CORPORATE Sustainable Supply Chain Intern

About us

A global Luxury group, Kering manages the development of a series of renowned Houses in Fashion, Leather Goods and Jewelry: Gucci, Saint Laurent, Bottega Veneta, Balenciaga, Alexander McQueen, Brioni, Boucheron, Pomellato, DoDo, Qeelin, Ginori 1735 as well as Kering Eyewear and Kering Beauté. By placing creativity at the heart of its strategy, Kering enables its Houses to set new limits in terms of their creative expression while crafting tomorrow's Luxury in a sustainable and responsible way. We capture these beliefs in our signature: "Empowering Imagination". In 2023, Kering had over 49,000 employees and revenue of €19,4 billion.

We are currently looking for a Sustainable Supply Chain Intern who will report to the Sustainable Supply Chain Data & Materials Manager to join our dynamic team in Scandicci, Italy.

Your opportunity

You will be supporting in the implementation of different sustainability programs across Kering's supply chains, managing data and tasks to advance Kering sustainability strategy roll-out.

How you will contribute

- Support the Manager in different activities towards our Brands (reports, communication assets, event organisation, etc.)
- Support the implementation team of different sustainability programs within Kering suppliers with a strong focus on leather supply chain and traceability of raw materials
- Consolidate collected data and driving data analysis, organize the presentation of results
- Create and compile reports for internal and external stakeholders
- Participate to the organization and delivery of training sessions for suppliers and internal stakeholders
- Handle the communication on projects and activities of the team on Kering internal social media platforms

Who you are

- You have a Master's Degree, preferably in Engineering or scientific disciplines. A specialization in sustainability will be considered a plus
- You have a strong interest in corporate sustainability strategies and sustainable business models
- You have strong analytical and data management skills, experience in building and managing dataset is considered a plus
- You are able to map processes and summarize information in effective documents and presentations
- You feel comfortable both working independently and as team player

K E R I N G

- You are a flexible and organized individual, and you are able to work on multiple projects simultaneously
- You have excellent written and spoken communication skills, and can communicate effectively with all levels of internal and external stakeholders
- You are proficient in Microsoft Office tools, in particular Excel and PowerPoint
- You are fluent in English and Italian, both written and spoken
- Your application is more than welcomed if you belong to legally protected categories (L. 68/99)

Why work with us?

This is an excellent opportunity to join the Kering adventure in a moment of extraordinary growth and become part of a dynamic team in a global Luxury group that offers endless possibilities to learn and grow. Talent development is a managerial principle at Kering and we are committed to fostering internal mobility. Our common vision promotes leadership skills and helps every employee to reach their full potential in a stimulating and fulfilling workplace environment.

Kering is committed to building a diverse workforce. We believe diversity in all its forms – gender, age, nationality, culture, religious beliefs and sexual orientation – enriches the workplace. It opens up opportunities for people to express their talent, both individually and collectively and it helps foster our ability to adapt to a changing world. As an Equal Opportunity Employer, we welcome and consider applications from all qualified candidates, regardless of their background.
