

## Health Surveillance Convocation

**before** the internship you have to complete the Health Surveillance exams

- 1) You need to ask for the **health code** at this office '**Ufficio Accoglienza e Accesso**' located on the **3rd floor** of the **A. Gemelli University Hospital wing B room 304**
- 2) Once you get the code you can schedule an appointment with the University Health Surveillance Service:

Contact the Service by phone (0630158770-71) or email ([sorveglianza.sanitaria-rm@unicatt.it](mailto:sorveglianza.sanitaria-rm@unicatt.it)) or go directly to the Service (**2nd floor of the Biological Institutes - Faculty of Medicine and Surgery - room 434**), to book:

- **Blood tests:** they are carried out from 8:00 to 10:00, from Monday to Friday, on an empty stomach and taking a sample of the first urine of the morning to **room 434**;
- **Intradermal reaction according to Mantoux:** carried out from 8:30 to 12:30, with reading at 48 hours in the same time slot, at the Allergy Outpatient Clinic (**9th floor Policlinico Gemelli, wing D**).
- **medical examination** by the responsible md specialist who concludes, with the judgment of suitability for the specific job, the preventive process codified by current legislation.
